Watch Your Mail for Rearing Fund Raffle Tickets

The chapter's annual Rearing Fund and Project Raffle is our chapter's way to fund stocking and rearing projects in the metro area. Every dollar raised by the raffle is dedicated to the muskie resource. Over the years our chapter has stocked thousands of muskies in metro area waters with funds raised by the annual raffle.

Raffle tickets will be mailed to members this month. We are asking each chapter member to sell at least 30 tickets. After all, the muskie stocking benefits each and every one of us. Even with the great deal we got from Triton Boats and Frankies Marine, the first place prize cost us a significant amount. That means all of us need to step up and sell even more tickets.

Raffle tickets are \$2.00 each. We have placed an order for \$30,000 worth of muskies to stock this year. That means we must sell a minimum of 15,000 raffle tickets.

As in previous years, we will be offering monthly incentive prizes for selling. We will also be offering great prizes to the top sellers including some great fishing trips.

A boat-motor-trailer package – a 17-foot Triton Frontier-T and trailer powered by a 60 hp Mercury – is the first place prize. The second place prize is a \$300 shopping spree at Thorne Bros. Custom Rod & Tackle, third prize is a \$200 shopping spree at Blue Ribbon Tackle, and fourth prize is a Benelli Super Nova Shotgun from Joe's Sporting Goods. The drawing will be held at the September general meeting.

Capable Partners Outing

Share your love for the pursuit of muskies with a fellow outdoorsman. Join us for an outing with physically challenged members of Capable Partners. We will need 15 boats to take them out. About one-half of the participants will need space for wheelchairs, but any size boat can be matched with one of the partners. We'll be gathering at 6:30 am on Sunday, June 15 at Baker Park Reserve on Lake Independence and fishing until around 1:00 pm. You don't have to be an expert angler or familiar with the lake to participate. Organizer Paul Hartman will gladly go over lure selection and the "hot spots" with anyone. A "shore lunch" will end the day and anyone who wants to continue fishing in the afternoon is welcome. Please call Paul Hartman at 763-786-6031 to sign up.

This marks the 13th year we have been setting up a trout pond at the Vet's Home. MI volunteers help residents while they fish for the trout. All the trout caught are cleaned and cooked along with all the makings of a "shore lunch" and served to the residents.

Don't Forget the Vet's Home Opener Saturday, May 3

The Twin Cities chapter will be hosting a fishing opener event for the residents of the Minnesota Veterans Home on Saturday, May 3. Everyone who can should take some time Saturday morning and help out. You'll be glad you did. If you don't attend any other chapter event, this one is well worth it.

Volunteers are needed to help with the cooking, cleaning and generally making this a fun event. This is one of the best volunteer events put on at Veterans Homes all over the country and has been recognized as such. VFW Post 6009 also contributes to this event.

Terry Hagstrom is organizing the Vets Home opener again this year. Volunteers – and many are needed – should be at the Veterans Home (by Minnehaha Falls) around 7 am. Many of the residents are lined up waiting early in the day.

If you can bring 10 pounds of boiled potatoes with you, please call Terry and let him know. Otherwise, he will be boiling potatoes galore the night before. Call Terry at 612-747-6509 or 651-462-3669 if you have questions, or if you'll be bringing some of those boiled potatoes.

2008 Hugh C. Becker Foundation Grant Recipients Announced

“Muskie Mania 2008” Joins Let’s Play Hockey

Have you ever seen a hockey stick that doubles as a fishing rod? If you visited the Muskies Inc. / Lupient GMC booth at the Let’s Play Hockey Expo in March this year you did. The custom-made rod/hockey stick courtesy of Thorne Bros. was the talk of the Hockey Expo drawing crowds of people to test their skills in casting a puck with a hockey stick. Strange as it sounds the combination seems to make sense. “What can you think of that is more Minnesotan than fishing and playing hockey?” one volunteer asked.

Volunteers from the Twin Cities chapter Tournament Committee and Lupient GMC had a great time at the 2008 Let’s Play Hockey Expo. The group was there to promote the 41st Annual Frank Schneider Jr. Memorial Muskie Tournament; the “Largest Muskie Fishing Tournament in the World” marketed this year under the theme of Muskie Mania 2008 featuring Ron Schara as Grand Marshall.

We participated in the event as a marketing partner of Lupient GMC. Because of that opportunity, *Let’s Play Hockey* has become a platinum media sponsor and ads for our tournament will appear in the publication throughout the summer. *Let’s Play Hockey*, now in its 36th season, is the

director Ron Sanders at 612-386-1100 with questions or potential tournament sponsors.

“Hockey Bible” in Minnesota and neighboring states covering all level of hockey from mini-mites to the Pros with a close association with the Minnesota WILD.

The tournament, held in the Leech-Cass Lake-Bemidji-Longville area of northern Minnesota, is open to Muskies Inc. members or non-members with all levels of fishing skills welcome. A contestant’s first muskie could be worth \$30,000! Tournament dates are September 5, 6, and 7, 2008. Look for all the details by June 1.

Twin Cities Chapter Fishing League

The Twin Cities chapter is starting its own fishing league this year. Everyone is welcome to take part in the league, even if you don’t have a boat. The league will be a great learning opportunity as well as a lot of fun. There will be 6-8 events during the year, with locations, dates, and times to be determined. Through May 20, we will be taking suggestions for lakes and days for the league to allow as many people as possible to take part. If you are interested, please contact Jody Dahms at jdahms@aquali.com or 952-356-6047.

Get Your Newsletter by email

Printing and mailing this newsletter is the biggest expense that our chapter has. The chapter is asking that everyone who has and uses email receive their newsletter by email. It could help save money that can be used for other projects. To receive your newsletter by

email each month please send your email address to:

olsonat3pete@gmail.com

We thank those who are already receiving their newsletter this way. It’s saving the chapter printing and mailing costs.

Help Fix Donated Rods For Kids

On Tuesday night, 6-9pm May 27th, we could use a few people to help refurbish rods & reels that will be given away to a lot of kids this summer!

If you can spare even 1-2 hours, please call the Youth Director, Brent Fox, for more details at (651) 491-0101.

Fish-A-Thon Tournaments Need Volunteers With Boats

This will be our chapter’s second year sponsoring the Twin Cities Fishing For Life, Fish-A-Thon. Not only do we have a great opportunity to help get kids off their duffs and into a boat catching

fish, we might get to introduce them to their first muskie! A couple of us have had this pleasure already. This year is also including 3 opportunities to fish Lake Minnetonka! They need 40 boats for 2 kids each at the kids events.

To give some of your time and take others in your boat, contact our Youth Director, Brent Fox, at (651) 491-0101.

- Pastors Tournament: Friday May 30th on Lake Minnetonka. North Arm & Maxell Bays. Boats launch from Minnetonka Boat Rental in Mound. 6am Registration with coffee and rolls. 7-11am tournament. BBQ lunch till 1pm.
- White Bear Lake Tournament: Saturday June 21st
- Lake Marion Tournament: Saturday July 26th
- Lake Minnetonka: 2 days of fishing Fri/Sat August 22/23rd (more boats needed for Friday 22nd)

THE HOUSE RANDALL AGENCY

Get the Family Fishing!

From Brent Fox, Youth Chair

Good news folks, spring is here! I know, it still isn't sun-bathing weather, but we'll have a couple months to get ready for the muskie season. In the meantime we have the chance to get on the water for some pan fish action. Especially when the waters are warmer and the fish move close to shore.

It's a great opportunity to get on the water with the younger kids. You can focus on teaching them all you can while catching fish, without having the distraction of wanting to cast for trophies. This is how we get the next generation of kids off the couch and away from the TV.

It's also a chance for whole families to spend an afternoon together in the boat or on the shore. Make a picnic of it. This kind of fishing can be simple. You can fish any local lake, don't need a boat, no big tackle boxes or gear bags to load, just rods with bobbers, hooks and live bait. Some of us may be able and willing to go hardcore marathon fishing but younger kids and some spouses just are not ready for that.

I have always stressed being patient and catering to those who are not as serious about fishing. Most of us needed training wheels before we could ride a bike ourselves. Fun, pan fish trips can be the "training wheel" that gets them rolling. They may then be intrigued by the challenge of larger fish. Use this chance we have to make some enjoyable memories that are easy and enjoyable for all!

Sponsor Program

You will see a number of ads in this issue and upcoming issues of *On the Water*. As part of the chapter's thank you program to our sponsors, we will be including sponsor ads in the newsletter several times a year.

The resorts have donated a week trip that are incentive prizes for selling raffle tickets or go to winners of our annual tournament in September. Please consider them when you are planning a fishing trip for this summer. Without them, we would not be able to hold the fundraisers that help our chapter function.

No fish stories spoken here.
We always "under promise and over deliver."

Thank Our Sponsors

A big thank you to all the manufacturers, retailers and resorts that have helped the Twin Cities chapter in the past year by donating merchandise and trips used for incentives and prizes for our fundraising events as well as the prizes for the Winter Picnic and the welcome table at each meeting.

Please make every effort to support these sponsors so they have an incentive to keep on supporting us. Without them this chapter could not do what it does for the resource and its members.

If you're looking for a new bait, keep in mind that manufacturers of some of the most productive baits ever designed are among our sponsors. And remember to buy them from sponsoring retailers. If you want a muskie trip this season, keep the sponsoring resorts in mind.
